

Important Notice Regarding Your Credit Card Statement

Dear Customers,

Thank you for your continued support of Restaurant Pachon.

Due to a change in our credit card payment processing service, please be advised that for transactions made between July 1st and July 15th, your credit card statement may display the name "**mon choix H**" instead of our restaurant name.

This is a temporary change resulting from the update of our payment service provider and does not affect the validity of your transactions.

Please rest assured that all charges are legitimate.

For any transactions made from July 16th onwards, the name "Restaurant Pachon" will appear on your statement as usual.

We apologize for any confusion this may cause and appreciate your understanding and cooperation.

Sincerely,

Restaurant Pachon
